

Gary Carr

Gary Carr joined the Board of Directors of Pipeline Integrity Group International in June 2024. In this role, he provides high-level strategic counsel on matters related to loans, investments, corporate structure, and operational development.

Mr. Carr brings a distinguished background in global finance, with senior leadership experience at Delphi Management Limited (later IQ-EQ), J.P. Morgan, and Schroders. Over the course of his career, he has served on the boards of a wide range of entities, including private equity general partners, investment funds, hedge funds, and operating companies. His work has consistently centred around private equity, venture capital, and alternative fund management, where he is known for his deep financial insight and pragmatic leadership.

In addition to his corporate roles, Mr. Carr is an active community leader, serving on the Board of the Bermuda Cancer and Health Centre, a charitable organization dedicated to providing cancer diagnostic and radiation services to the community.

Mr. Carr holds an Honours Business Degree from Wilfrid Laurier University in Canada and is a designated Chartered Professional Accountant (CPA). Earlier in his career, he also held senior roles in the insurance and shipping industries, further broadening his operational and sectoral expertise.
